Immersive Sound for a Calm Mind

Features

Modular Design

Customize your space with 1 or 2 units. Sounds from two units can combine to create an immersive sonic experience.

Wall-Mount Installation

A simple wall-mounted installation shares space to better accommodate multiple activities in a single communal wellness room, or integrate into smaller rooms as needed.

Natural Acoustic Tones

Magnetic Sound sculptures utilize our custom electronic design to vibrate strings with magnetic energy. No speakers required for smaller, quiet spaces.

A Lifetime of Unique Sound

The systems create new variations each time they play, for a lifetime of unique sounds.
